I received notice of motion to extend today's post
9/11/13 and I'm replying Sunday.

This motion should not be allowed to waste more
money on the 5 year legal process. Its time to use
the funds available to settle the outstanding claims as
best as possible. Keeping individuals waiting more
than 5 years for the movies owed is disrespectful.

No extension should be allowed. Settle the claims
now! Individuals need their movies owed.
